

CCBC-Uganda Graduation,

June 16th 2023

Over 80% of pastors and leaders in ministry across churches in Uganda have not had any biblical training, so the Bible College Affiliate Campus was established twenty years ago alongside the church here to equip Christians for fruitful living and train leaders for the work of the ministry. Over the years many pastors, leaders and church planters have gone through the Two year program - **congratulations** to the five who recently recently graduated.

Teen Fun Fest, 9th Sept

The population demographics in Uganda is such that over 50% of the country is under the age of 18years. So, every school break we organize a fun filled event for our teenagers - they gather for worship, fellowship and to "train them up in the way they should go and when they are old they will not depart from it" as Proverbs 22:6 instrusts.

Ethiopian student enrolled to CCBC Uganda

An americian missionary met **HABTE TEGESSE MANEBO** while on a mission trip to a rural community in Leda, in the southern part of the Ethiopia. Its been four years of praying and raising funds for him so he can come to Uganda to study.

Pray for this young man, he enrolled this Fall-semester, he will be instrumental in helping with more missions connections into his Country and community.
