## Praise Report: A Month of Provision & Transition

April was a full and meaningful month as we prepared for our transition to Italy. We're so grateful for how smoothly so many important details came together.

- We completed the final stages of moving, while also taking time to say "so long for now" to many dear friends through lunches, dinners, and heartfelt conversations.
- We met with our tax consultant and received helpful guidance on managing our finances across both the U.S. and Italy.
- During a 10-day trip to Italy, we were able to secure a contractor for needed home repairs, reconnect with friends, visit local home Bible studies, and gather valuable information about daily life logistics such as utilities, transportation, and internet services.
- Our church family at Calvary LIFE blessed us with a beautiful send-off across all four weekend services—it was incredibly meaningful and encouraging.
- The escrow process for our San Pedro home was completed without any last-minute issues, which was a huge answer to prayer.
- We were also able to submit the final payment for our new home in Gaeta, bringing us one step closer to settling in.

We truly see God's hand in each of these details and are so thankful for His provision and for all of you who have supported us along the way.

## Next Steps: Arriving & Settling In

As we step into this new season, we're excited for what lies ahead and grateful for your continued prayers as we get established in Gaeta.

- We depart for Italy on May 3rd and begin this new chapter!
- Once we arrive, we will sign the final paperwork on our home and begin moving in.
- We'll be purchasing a vehicle to help us navigate daily life and ministry needs.
- We plan to buy our farm dogs as we begin developing the property.
- We'll start preparing the land for future crops and animals.
- Peggy will begin Italian lessons to help us better connect with the community.

We're looking forward to settling in and seeing how God will open doors in this next phase.

## Prayer Requests

We are grateful for your continued prayers, here are some specific ways you can be praying with us:

- That all nine crates containing our belongings would arrive safely and on time in Italy.
- For the finalization of our home paperwork so that contractors can begin the necessary repairs and work on the house.
- For wisdom and favor in finding a reliable vehicle for our daily needs and ministry.
- For the approval of Peggy's residency permit without delays or complications.
- That the Holy Spirit would soften the hearts of the Italian people, and that they would clearly see and hear the Gospel lived out through our lives.

We deeply appreciate your partnership in prayer as we begin this new chapter.
